

MCGLINCHEY BROTHERS

... Decorative Architectural Metalwork

About McGlinchey Brothers ...

McGlinchey Brothers specialize in manufacturing and fitting of beautiful steel framed contemporary staircases.

Established in 1967, McGlinchey has many years experience of most types of architectural metalwork ranging from structural steel, and multi story fire escapes, through artistic or feature metalwork big or small, to gates and railings.

The company specializes in:

- Staircases & Balustrading, Fire Escapes, Ladders access ramps
- Sheetmetal work in aluminium & stainless steel
- Guillotine, Brake press and stainless steel polishing services
- Mod's to commercial vehicles
- Security: Doors, bar grilles, mesh grilles etc
- Restoration & Reproduction of antique metalwork
- Site work undertaken.
