Welcome to the world of “Never Drill Again” -

Proof that simple ideas are often the best!

No Drills, No Damage, No Worries!

At last, an effective solution to attaching bathroom accessories that is simple, quick and clean to use. “Never Drill Again” is incredibly strong and robust and, in most cases, can be removed in seconds - without trace. Full step-by-step instructions can be found inside the back cover of this brochure.

No holes, no noise, no damaged or cracked tiles, no mess to clear up.
Attaches in seconds, lasts for years.

“Never Drill Again” fixes quickly to most solid surfaces including: -

- Ceramic tiles including porcelain.
- Natural stone.
- Brick, concrete.
- Glass.
- Wood.
- Laminates.

Design without compromise.

We didn't stop with the technology! Our stylish, beautifully designed bathroom accessories are finished to the highest specifications and, here's the best bit, **NO DRILLS REQUIRED!** The following pages illustrate the several designs currently available, you're sure to find one that matches your carefully designed bathroom.

Technology that won't let you down

“Never Drill Again” has been independently tested to withstand loads of up to 300kg. There are over 2.5 million accessories in use worldwide.

Fancy a change?

In most cases “Never Drill Again” accessories use a common mounting plate (we call it an adaptor) – simply remove the old accessory and replace it with another design - the perfect way to spruce things up – without the honeycomb effect of unsightly holes.
